Community  
Health Center

Tepeyac Community Health Center is thrilled to express our heartfelt gratitude to all of the organizations that have generously supported us in 2023. Your unwavering commitment to our mission and vision has been instrumental to our ability to provide exceptional, compassionate care to all, regardless of a patient's ability to pay.

We'd like to extend a special thank you to the organizations listed below:

- Angell Foundation
- Caring for Colorado Foundation
- City and County of Denver
- Colorado Access
- Colorado Department of Healthcare Policy & Financing
- Colorado Department of Public Health and Environment
- Colorado Economic Development and International Trade Office
- Colorado Office of the Attorney General
- National Alliance for Hispanic Health
- NextFifty Initiative
- The Colorado Behavioral Health Administration
- Virginia Hill Foundation

Our mission is to inspire health, wellbeing, and humanity in our community through all of life's stages. This mission is underpinned by our vision of creating a healthy community with access to regular and ongoing health care, marked by cultural responsiveness and exceptional care that empowers our patients and creates healthier families overall.

Your belief in our mission strengthens our ability to address the unique healthcare needs of the diverse populations we serve. All contributions have made a lasting impact on the lives of individuals and families in our community. Thank you!
